

INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

Individual to Entity - Ancapital Group LLC

SIMPLIFIED VERSION FOR PRESIDENT/FOUNDER

INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (the "Agreement") is made effective as of May 3, 2026 between [Your Name], an individual (the "Assignor"), and Ancapital Group LLC, a limited liability company (the "Assignee").

WHEREAS, the Assignor has created, developed, and conceived intellectual property related to the SparkDate Philadelphia project; and

WHEREAS, the Assignor, as President of Ancapital Group LLC, desires to assign all such intellectual property to the company for purposes of business operations, fundraising, and commercialization; and

WHEREAS, the parties acknowledge this assignment is necessary to establish clear corporate ownership of IP for regulatory, investor, and operational purposes.

NOW, THEREFORE, in consideration of mutual covenants and the mutual benefit to the parties, the Assignor and Assignee agree as follows:

1. ASSIGNMENT OF INTELLECTUAL PROPERTY

The Assignor hereby irrevocably assigns, transfers, and conveys to Ancapital Group LLC all right, title, and interest in the following intellectual property (the "IP"):

1.1 Business & Strategic IP

- Executive Summary documents (all versions)
- Comprehensive Business Analysis documentation
- Financial Models (v1, v2, v3, and Excel models)
- Go-To-Market Strategy documents and execution plans
- Competitive analysis and market research
- Customer segmentation and persona research
- Risk assessment and mitigation strategies
- Operational playbooks and procedures

1.2 Financial & Data IP

- Financial projection methodologies and models
- Pricing strategies (gender-based pricing model)
- Unit economics models (CAC, LTV, churn calculations)
- Cost structure and budgeting frameworks
- Scenario analysis and sensitivity modeling
- Revenue models (freemium venue model)
- All financial assumptions and calculations

1.3 Technology & Software IP

- Matching algorithms for event attendee curation
- Software code, applications, and platforms
- Mobile app specifications and designs
- Database designs and data structures
- Check-in systems and verification protocols
- Event management and scheduling systems
- Analytics and reporting tools
- Any custom technology or systems

1.4 Brand & Trademark IP

- "SparkDate" brand name and all variations
- Domain names (sparkdate.com and related domains)
- Logos, visual identity, and design systems
- Brand guidelines and messaging frameworks

- Taglines, slogans, and brand positioning
- Social media handles and accounts
- All trademarks and service marks

1.5 Marketing & Promotional IP

- Marketing strategy and channel analysis
- Marketing materials and collateral
- Social media strategies and content frameworks
- Email templates and communication materials
- Promotional campaigns and initiatives
- Advertising creative and copy
- Pitch decks and investor materials

1.6 Proprietary Methodologies

- Freemium venue partnership model (free M1-6, paid M7+)
- Hyper-local launch strategy ("Dense Networks, Not Broad Cities")
- User acquisition playbooks and strategies
- Venue adoption and retention strategies
- Community partnership frameworks
- Premium subscription model and strategy
- Event curation and matching methodology

1.7 Research & Data IP

- Market research data and findings
- User research and behavioral insights
- Competitive intelligence and analysis
- Market sizing and TAM calculations
- Performance metrics and KPI frameworks
- Customer acquisition data
- Retention and churn analysis

1.8 All Written & Created Materials

- All documents, guides, and resources
- All spreadsheets, worksheets, and calculations
- All design files and mockups

- All source code and software files
- All research notes and data
- All video, audio, or multimedia content
- All work product and deliverables

1.9 Intangible Property

- Trade secrets and confidential information
- Business processes and procedures
- Know-how and specialized knowledge
- Customer and vendor relationship lists
- Strategic partnerships and collaborations
- Competitive advantages and insights

2. COMPLETE SCOPE

The Assignor confirms that this assignment includes:

- All versions and iterations of the above IP
- All derivatives, improvements, and enhancements
- All tangible embodiments (documents, files, etc.)
- All rights to register, protect, and enforce
- All present and future value associated with the IP

3. OWNERSHIP CONFIRMATION

The Assignor represents and warrants:

- The Assignor is the sole creator and owner of the IP
- The IP is original work created by the Assignor
- The IP is free from third-party claims or encumbrances
- The Assignor has full authority to make this assignment
- No third party has any rights to this IP

4. CONSIDERATION

Mutual consideration for this assignment:

- Ancapital Group LLC assumes ownership and responsibilities
- Ancapital will pursue development and commercialization
- Ancapital will seek funding and market launch
- Clear corporate IP ownership established for regulatory/investor purposes

5. COOPERATION

The Assignor agrees to:

- Execute any additional documentation needed
- Assist with IP registration (patents, copyrights, trademarks)
- Transfer all files, materials, and access
- Support technology transfer and knowledge transfer
- Maintain confidentiality of proprietary information

6. TERM

This assignment is effective as of May 3, 2026, and remains in perpetuity. The assignment is irrevocable and cannot be terminated or rescinded.

7. BINDING EFFECT

This assignment binds both parties and their successors, assigns, and representatives. Ancapital Group LLC may freely assign its rights to successors or related entities.

8. GOVERNING LAW

This Agreement shall be governed by the laws of [State of LLC Formation], without regard to conflict of law principles.

SIGNATURES

The parties acknowledge and agree to the terms above and execute this Agreement as of the date first written above.

- ☒ All version history and iterations

All Files & Deliverables

- ☒ All Word documents and PDFs
- ☒ All Markdown files
- ☒ All Excel spreadsheets
- ☒ All code files and repositories
- ☒ All design files (Figma, Adobe, etc.)
- ☒ All images, logos, and visual assets
- ☒ All video or audio content
- ☒ All presentation decks

- ☒ All databases and data files
- ☒ All project files and deliverables
- ☒ All notes and research materials
- ☒ All communication records related to IP

EXHIBIT B: PRIOR INVENTIONS EXCLUDED FROM ASSIGNMENT

The following intellectual property is NOT included in this assignment (if applicable):

If no prior inventions are listed above, the Assignor represents that ALL intellectual property created in connection with the SparkDate project is being assigned to Ancapital Group LLC with no exceptions.

SUMMARY FOR CORPORATE RECORDS

This IP Assignment establishes:

- ✓ Clear corporate ownership of all SparkDate IP
- ✓ Legal foundation for investor fundraising
- ✓ Establishment of company IP portfolio
- ✓ Documentation of asset ownership
- ✓ Protection of corporate intellectual property rights

Date of Assignment: May 3, 2026

Assignor: [Your Name] (Individual Creator)

Assignee: Ancapital Group LLC (Corporation)

Business Purpose: Centralization of SparkDate IP in company entity

AFTER SIGNING

Immediate Actions:

1. ☒ File signed agreement with company records
2. ☒ Update company IP register
3. ☒ Provide copy to accountant/bookkeeper
4. ☒ Update corporate documentation
5. ☒ Begin IP registration process

IP Registration:

- ☐ Trademark registration for "SparkDate"
- ☐ Copyright registration for works
- ☐ Patent applications for any patentable inventions

For Investors/Due Diligence:

This agreement establishes that Ancapital Group LLC owns all IP related to the SparkDate project, which is critical for:

- Fundraising (investors want clear IP ownership)
- Partnerships (partners need to know who owns the IP)
- Future expansion (company owns all scalable assets)
- Exit opportunities (all IP transfers with company)

Ongoing:

- Company owns all improvements to the IP going forward
- IP is a corporate asset on company balance sheet
- All future SparkDate work is company property

Document prepared for: President of Ancapital Group LLC

Status: Ready to sign and file

Purpose: Corporate IP ownership and fundraising documentation
